 All natural
全天然

 Healthy
保健

 Weight control
控制體重

Diet and exercise are essential for the treatment of diabetes. For diabetic eat a healthy diet that is high in fiber and low in refined sugars and animal fats. Keep your weight under control.

Green Guava Tea has a unique combination of natural herbs. The major ingredient of Green Guava Tea, wild guava fruit and leaves, were being used among the Chinese thousands of years ago to boil them and drink as soup to help them to lower their blood sugar level. Research reports in recent years by academic institutes indicate that guava controls the levels of blood sugar level.

Regular drinking of Green Guava Tea, the all natural herbal tea, helps stabilizing blood sugar level and there is no risk of 'side effects'

The rich vitamin C and fiber contain in the Green Guava Tea may also helps weight control.

Drink a cup of Green Guava Tea after each meal is not only good for health, it's enjoyable!

Green Guava Tea brings in -- good health -- weight control -- well being
